SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of 0395 Alberta Classical Academy Ltd. presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility
The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors
The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair
To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

Independent Auditor's Report

To the Members of Alberta Classical Academy Ltd.:

Opinion

We have audited the financial statements of Alberta Classical Academy Ltd. (the "School Authority"), which comprise the statement of financial position as at August 31, 2024, and the statements of operations, cash flows, changes in net financial assets, remeasurement gains and losses, and the accompanying schedules of net assets, deferred contributions, program operations, operations and maintenance, cash, cash equivalents and portfolio investments, tangible capital assets, remuneration and monetary incentives and asset retirement obligations for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School Authority as at August 31, 2024, and the results of its operations, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the School Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information - Unaudited Schedules

Management is responsible for the other information included in Schedule 9: unaudited schedule of fees and Schedule 10: unaudited schedule of system administration.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the School Authority's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SQUARE METRES	2024	2023
School buildings	11,671.1	1,421.7
Non school buildings	411.0	102.0

Notes:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed Infrastructure Maintenance Renewal (IMR), CMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

xpensed IMR, CMR & Modular Unit Relocation & Lease Payments: All operational expenses associated with non-capitalized IMR and CMR projects, modular unit (portable) relocation, and payments on leased facilities.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Unsupported Amortization & Other Expenses: All expenses related to unsupported capital assets amortization and interest on unsupported capital debt.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

NOTE 1 – AUTHORITY AND PURPOSE

Calgary Classical Academy Inc., the predecessor entity, was incorporated on October 12, 2021, under the Business Corporations Act of Alberta and facilitated the operations of the school until August 31, 2023. Alberta Classical Academy Ltd. (the "School Authority") was incorporated on December 6, 2022 and on September 1, 2023, Calgary Classical Academy Inc. entered into an assignment and assumption agreement whereby all assets, liabilities, equity and operations of the school were assigned to Alberta Classical Academy Ltd. The School Authority delivers education programs under the authority of the *Education Act*, 2012, Chapter E-0.3.

The School Authority receives funding for instruction and support under Ministerial Grants Regulation (AR 215/2022). The regulation allows for the setting of conditions and use of grant monies. The School Authority is limited on certain funding allocations and administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards (PSAS). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

a) Basis of Financial Reporting

Valuation of Financial Assets and Liabilities

The School Authority's financial assets and liabilities are generally measured as follows:

Financial Statement Component	Measurement
Cash and cash equivalents	Cost
Accounts receivable	Lower of cost or net recoverable value
Inventories for resale	Lower of cost or net realizable value
Portfolio investments	Fair value and cost or amortized cost
Accounts payable and other accrued liabilities	Cost
Debt	Amortized cost
Derivatives	Fair value
Asset retirement obligations and environmental liabilities	Cost or present value

For financial statements measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. Transaction costs are a component of cost for financial instruments measured using cost or amortized cost. Transaction costs are expensed for financial instruments measured at fair value.

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets are the School Authority's financial claims on external organizations and individuals, as well as cash and inventories for resale at the year end.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

Accounts Receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

Portfolio Investments

The School Authority has investments in guaranteed investment certificates ("GICs"), term deposits, bonds, equity instruments and mutual funds that have no maturity dates or have a maturity of greater than 3 months. GICs, term deposits and other investments not quoted in an active market are reported at cost or amortized cost. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value. Discounts and premiums arising on the purchase of fixed income securities are amortized over the term of the investments using an effective interest method.

Derivatives and portfolio investments in equity instruments that are quoted in an active market are recorded at fair value and the associated transaction costs are expensed upon initial recognition. The change in the fair value is recognized in the Statement of Remeasurement Gains and Losses as a remeasurement gain or loss until the portfolio investments are derecognized. Upon derecognition, the accumulated remeasurement gains or losses associated with the derecognized portfolio investments are reversed and reclassified to the Statement of Operations.

Impairment is defined as a loss in value of a portfolio investment that is other than a temporary decline and is included in the Statement of Operations. In the case of an item in the fair value category, a reversal of any net remeasurement gains recognized in previous reporting periods up to the amount of the write-down is reported in the Statement of Remeasurement Gains and Losses. A subsequent increase in value would be recognized on the Statement of Remeasurement Gains and Losses and realized on the Statement of Operations only when sold.

Contractual obligations are evaluated for the existence of embedded derivatives. They are elected to either measure the entire contract at fair value or separately measure the value of the derivative component when characteristics of the derivative are not closely related to the economic characteristics and risks of the contract itself. Contracts to buy or sell non-financial items for the School Authority's normal course of business are not recognized as financial assets or liabilities. The School Authority does not have any embedded derivatives.

Detailed information regarding portfolio investments is disclosed in the Schedule 5: Schedule of Cash, Cash Equivalents, and Portfolio Investments.

Inventories for resale

Inventories for resale are valued at the lower of cost and net realizable value. Cost is determined on first-in, first-out basis.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Other financial assets

Other financial assets are valued at the lower of cost or expected net realizable value.

Liabilities

Liabilities are present obligations of the school authority to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Accounts payable and other accrued liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

Deferred Contributions

Deferred contributions include contributions received for operations which have stipulations that meet the definition of a liability per *Public Sector Accounting Standard (PSAS) PS 3200*. These contributions are recognized by the School Authority once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred contributions also includes contributions for capital expenditures, unexpended and expended. Unexpended Deferred Capital Contributions (UDCC) represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the School Authority, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when expended.

Spent Deferred Capital Revenue (SDCC) represents externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related tangible capital asset. Amortization over the useful life of the related tangible capital asset is due to certain stipulations related to the contributions that require the School Authority to use the asset in a prescribed manner over the life of the associated asset.

Asset Retirement Obligations

Asset retirement obligations are legal obligations associated with the retirement of a tangible capital assets (TCA). Asset retirement activities include all activities relating to an asset retirement obligation. These may include, but are not limited to;

- decommissioning or dismantling a tangible capital asset that was acquired, constructed or developed;
- remediation of contamination of a tangible capital asset created by its normal use;
- post-retirement activities such as monitoring; and
- constructing other tangible capital assets to perform post-retirement activities.

A liability for an asset retirement obligation is recognized when, as at the financial reporting date:

a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
b) the past transaction or event giving rise to the liability has occurred;
c) it is expected that future economic benefits will be given up; and
d) a reasonable estimate of the amount can be made.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

When a liability for asset retirement obligation is recognized, asset retirement costs related to recognized tangible capital assets in productive use are capitalized by increasing the carrying amount of the related asset and are amortized over the estimated useful life of the underlying tangible capital asset. Asset retirement costs related to unrecognized tangible capital assets and those not in productive use are expensed.

Environmental Liabilities

Liabilities for Contaminated Sites:
Contaminated sites are a result of contamination of a chemical, organic or radioactive material or live organism that exceeds an environmental standard, being introduced into soil, water or sediment.

A liability for remediation of a contaminated site may arise from an operation that is either in productive use or no longer in productive use and may also arise from an unexpected event resulting in contamination. The resulting liability is recognized net of any expected recoveries, when all of the following criteria are met:

i. an environmental standard exists;
ii. contamination exceeds the environmental standard;
iii. the School Authority is directly responsible or accepts responsibility;
iv. it is expected that future economic benefits will be given up; and
v. a reasonable estimate of the amount can be made

Other environmental liabilities
Other environmental liabilities, which are not liabilities for contaminated sites or asset retirement obligations, are recognized when all of the following criteria are met:

i. the School Authority has a duty or responsibility to others, leaving little or no discretion to avoid the obligation;
ii. the duty or responsibility to others entails settlement by future transfer or use of assets, or a provision of services at a specified or determinable date, or on demand;
iii. a transaction or events obligating the School Authority have already occurred; and
iv. a reasonable estimate of the amount can be made.

The Society does not have any asset retirement obligations, environmental or other environmental liabilities.

Debt

Notes, debentures, and mortgages are recognized at their face amount less unamortized discount, which includes issue expenses.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

(a) are normally employed to deliver government services;
(b) may be consumed in the normal course of operations; and
(c) are not for sale in the normal course of operations.

Non-financial assets include tangible capital assets, inventories of supplies and prepaid expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Tangible Capital Assets

The following criteria applies:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset, and asset retirement cost.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as a transfer to the applicable asset class at substantial completion.
- Buildings include site and leasehold improvements as well as assets under capital lease.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the School Authority to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Contributions.
- Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of $5,000 are capitalized.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the School Authority are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the School Authority's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Furniture and Equipment	5 years
System Software Implementation	4-5 years
Leasehold Improvements	shorter of: (i) useful life or (ii) life of remaining term of lease

Inventories of supplies

Inventories of supplies are valued at the lower of cost and replacement cost. Cost is determined on a first-in, first-out basis.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Prepaid expenses

Prepaid expenses is recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

Operating and Capital Reserves

Certain amounts, as approved by the School Authority's Board, are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the School Authority's Board. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

Revenue Recognition

All revenues are reported on the accrual basis of accounting. Cash received for which goods or services have not been provided by year end is recognized as unearned revenue and recorded in accounts payable and other accrued liabilities.

Endowment contributions, matching contributions, and associated investment income allocated for preservation of endowment capital purchasing power are recognized in the Statement of Operations in the period in which they are received.

Government transfers

Transfers from all governments are referred to as government transfers.

Government transfers and associated externally restricted investment income are recognized as deferred contributions if the eligibility criteria for use of the transfer, or the stipulations together with the School Authority's actions and communications as to the use of the transfer, create a liability. These transfers are recognized as revenue as the stipulations are met and, when applicable, the School Authority complies with its communicated use of these transfers.

All other government transfers, without stipulations for the use of the transfer, are recognized as revenue when the transfer is authorized and the School Authority meets the eligibility criteria (if any).

Donations and non-Government contributions

Donations and non-government contributions are received from individuals, corporations, and private sector not-for-profit organizations. Donations and non-government contributions may be unrestricted or externally restricted for operating or capital purposes.

Unrestricted donations and non-government contributions are recognized as revenue in the year received or in the year the funds are committed to the School Authority if the amount can be reasonably estimated and collection is reasonably assured.

Externally restricted donations, non-government contributions and realized and unrealized gains and losses for the associated externally restricted investment income are recognized as deferred contributions if the terms for their use, or the terms along with the School Authority's actions and communications as to the use, create a liability. These resources are recognized as revenue as the terms are met and, when applicable, the School Authority complies with its communicated use.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

In-kind donations of services and materials are recognized at fair value when such value can reasonably be determined. While volunteers contribute a significant amount of time each year to assist the School Authority, the value of their services are not recognized as revenue and expenses in the financial statements because fair value cannot be reasonably determined.

Grants and donations for land

The School Authority records transfers and donations for the purchase of land as a liability when received and as revenue when the School Authority purchases the land. The School Authority records in-kind contributions of land as revenue at the fair value of the land. When the School Authority cannot determine the fair value, it records such in-kind contributions at nominal value.

Investment income

Investment income includes dividend and interest income and realized gains or losses on the sale of portfolio investments. Unrealized gains and losses on portfolio investments that are not from restricted transfers, donations or contributions are recognized in the Statement of Accumulated Remeasurement Gains and Losses until the related investments are sold. Once realized, these gains or losses are recognized in the Statement of Operations.

Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Program Reporting

The School Authority's operations have been segmented as follows:

- **ECS Instruction:** The provision of ECS education instructional services that fall under the basic public education mandate.
- **Grade 1-12 Instruction:** The provision of instructional services for Grades 1-12 to Grade 12 that fall under the basic public education mandate.
- **Operations and Maintenance.** The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation.** The provision of regular and special education bus services (to/from school), whether contracted or board operated, including transportation facility expenses.
- **System Administration**. The provision of board governance and system-based/central office administration.
- **External Services.** All projects, activities, and services offered outside the public education mandate for Pre-Kindergarten children and students in Kindergarten to grades 12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, object and type on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies & services, school administration & instruction support, and System Instructional Support.

Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School Authority recognizes a financial instrument when it becomes a party to a financial instrument contract.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Measurement Uncertainty

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits, is subject to measurement uncertainty.

Estimates of liabilities for contaminated sites are subject to measurement uncertainty because the existence and extent of contamination, the responsibility for clean-up, and the timing and cost of remediation cannot be reasonably estimated. The degree of measurement uncertainty cannot be reasonably determined.

There is measurement uncertainty related to asset retirement obligations as it involves estimates in determining settlement amount, discount rates and timing of settlement. Changes to any of these estimates and assumptions may result in change to the obligation.

Change in Accounting Policy

Effective September 1, 2023, the school division adopted PS 3160 Public Private Partnerships (P3), PS 3400 Revenue and PSG-8 Purchased Intangibles prospectively, with the exception of P3 contracts entered prior to September 1, 2023, of which retroactive application is used without restating prior year comparatives. As a result prior year comparatives are not restated for revenue, purchased intangibles or P3 contracts.

- **Adoption of PS 3400 Revenue**

Changes made to financial statements include a new revenue note. There were no changes to the measurement of revenues on adoption of the new standard.

- **PSG-8 Purchased Intangibles**

The School Authority also adopted the PSG-8 Purchased Intangibles Guideline. There were no changes to the financial statements on adoption of the new standard.

- **Adoption of PS 3160 Public Private Partnerships**

The School Authority also adopted PS3160 Public Private Partnerships. There were no changes to the financial statements on adoption of the new standard.

NOTE 3 – FUTURE CHANGES IN ACCOUNTING STANDARDS

On September 1, 2026, the School Authority will adopt the following new conceptual framework and accounting standard approved by the Public Sector Accounting Board:

- **The Conceptual Framework of Financial Reporting in the Public Sector**

  The Conceptual Framework is the foundation for public sector financial reporting standard setting. It replaces the conceptual aspects of Section PS 1000 Financial Statement Concepts and Section PS 1100 Financial Statement Objectives. The conceptual framework highlights considerations fundamental for the consistent application of accounting issues in the absence of specific standards.

- **PS 1202 Financial Statement Presentation**
  Section PS 1202 sets out general and specific requirements for the presentation of information in general purpose financial statements. The financial statement presentation principles are based on the concepts within the Conceptual Framework.

Management is currently assessing the impact of the conceptual framework and the standard on the financial statements.

NOTE 4 – CASH AND CASH EQUIVALENTS

Included in cash and cash equivalents is a redeemable GIC for $nil (2023 – $100,000), earning interest at an annual rate of nil % (2023 – 2.5%).

NOTE 5 – ACCOUNTS RECEIVABLE

	2024			2023
	Gross Amount	**Allowance for Doubtful Accounts**	**Net Realizable Value**	**Net Realizable Value**
Alberta Education – Grants	$ 397,388	$ -	$ 397,388	$ -
Alberta Education – Capital	890,842	-	890,842	-
Other Alberta School Jurisdictions	9,074	-	9,074	12,114
Federal Government	190,805	-	190,805	78,714
Other	71,768	(20,472)	51,296	3,011
Total	$1,559,877	$ (20,472)	$ 1,539,405	$ 93,839

NOTE 6 – ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

Accounts payable consists of the following:

	2024	2023
Federal Government	176,042	112,477
Accrued vacation pay liability	-	40,838
Other salaries & benefit costs	35,686	70,666
Unearned Revenue – Instructional and Transportation Fees	899,919	364,442
Other trade payables and accrued liabilities	1,336,224	1,682,073
Total	$ 2,447,871	$ 2,270,496

NOTE 7 – BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers' Pension Plan Act, the School Authority does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers' Retirement Fund on behalf of the School Authority is included in both revenues and expenses. For the school year ended August 31, 2024, the amount contributed by the Government was $283,334 (2023 - $126,674).

The School Authority does not participate in multi-employer pension plans.

NOTE 8 – CAPITAL LEASES

Capital leases are funded by the School Authority and are composed of the following:

	2024	2023
RCAP Leasing, due between May 31, 2027 and September 31, 2029, for various computer equipment with a net book value of $68,781 (2023 - $9,252) pledged as collateral	$ 78,757	$ 12,233

NOTE 9 – PREPAID EXPENSES

Prepaid expenses consist of the following:

	2024	2023
Lease Deposits	$ 290,523	$ 383,988
Other	600	2,000
	$ 291,123	$ 385,988

NOTE 10 – NET ASSETS

Detailed information related to accumulated surplus is available on the Schedule of Changes in Accumulated Surplus. Accumulated surplus may be summarized as follows:

	2024	2023
Unrestricted surplus	$ 242,274	$ 492,420
Operating reserves	-	-
Surplus (deficit) from operations	$ 166,964	$ (250,146)
Investment in capital assets	-	-
Capital reserves	-	-
Endowments	-	-
Accumulated remeasurement gains (losses)	-	-
Accumulated surplus	$ 409,238	$ 242,274

Accumulated supplies deficit from operations (ASO) include funds of $nil that are raised at school level and are not available to spend at board level. The School Authority's adjusted surplus from operations is calculated as follows:

	2024	2023
Accumulated surplus from operations	$ 409,238	$ 242,274
Deduct: School generated funds included in accumulated surplus	-	-
Adjusted accumulated surplus from operations	$ 409,238	$ 242,274

Adjusted accumulated surplus from operations represents funds available for use by the School Authority after deducting funds raised at school-level.

NOTE 11 – CONTRACTUAL OBLIGATIONS

	2024	2023
Building Projects (1)	$ 784,988	$ 7,200,000
School Buildings and Board Office Lease (2)	13,477,938	15,335,732
Service Providers (3)	3,905,643	5,100,979
	$18,168,569	$27,636,711

(1) Building Projects: The School Authority has commitments to complete leasehold improvements at one of its schools.
(2) School Buildings and Gym Rental: The School Authority has agreements to lease school buildings and office space.
(3) Service Providers: As at August 31, 2024, the School Authority had $3,905,643 (2023 - $5,100,979) in commitments relating to service contracts.

Estimated payment requirements for each of the next five years and thereafter are as follows:

	Building Projects	**School Buildings and Board Office Lease**	**Service Providers**	**Other**	**Total**

2025/2026	-	2,290,932	886,180	-	3,177,112
2026/2027	-	2,224,401	822,184	-	3,046,585
2027/2028	-	1,122,151	850,960	-	1,973,111
2028/2029	-	1,122,151	-	-	1,122,151
Thereafter	-	4,488,607	-	-	4,488,607
	$ 784,988	$ 13,477,938	$ 3,905,643	$ -	$ 18,168,569

NOTE 12 – SCHOOL GENERATED FUNDS

There were no School generated funds received or spent during the year.

NOTE 13 – RELATED PARTY TRANSACTIONS

Related parties are those entities consolidated or accounted for on the modified equity basis in the Government of Alberta Consolidated Financial Statements. Related parties also include key management personnel in division, their close family members and companies controlled by key management personnel.

All entities that are consolidated in the accounts of the Government of Alberta are related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

	Balances		Transactions	
	Assets (at cost or net realizable value)	Liabilities (at fair value)	Revenues	Expenses
Government of Alberta (GOA):

Other Revenues & Expenses	-	-	-	-
Other Alberta school jurisdictions	9,074	-	-	345,362
TOTAL 2023/2024	$ 1,297,304	$ -	$ 12,419,572	$ 345,362
TOTAL 2022/2023	$ -	$ -	$ 3,542,191	$ 418,007

The School Authority and its employees paid or collected certain taxes and amounts set by regulation or local policy. These amounts were incurred in the normal course of business, reflect charges applicable to all users and have been excluded from this schedule.

The above transactions were incurred in the normal course of operations and are recorded at exchange amount. All transactions between the School Authority and its related parties are recorded at fair value.

NOTE 14 – ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The School Authority's primary source of income is from the Alberta Government. The School Authority's ability to continue viable operations is dependent on this funding.

NOTE 15 – BUDGET AMOUNTS

The budget was prepared by the School Authority and approved by the School Authority's Board on May 16, 2023. It is presented for information purposes only and has not been audited.

NOTE 16 – COMPARATIVE FIGURES

Certain 2023 figures have been reclassified, where necessary, to conform to the 2024 presentation.
