How to Set Up Your **MyBusStop** Account

1. Visit www.mybusstop.ca

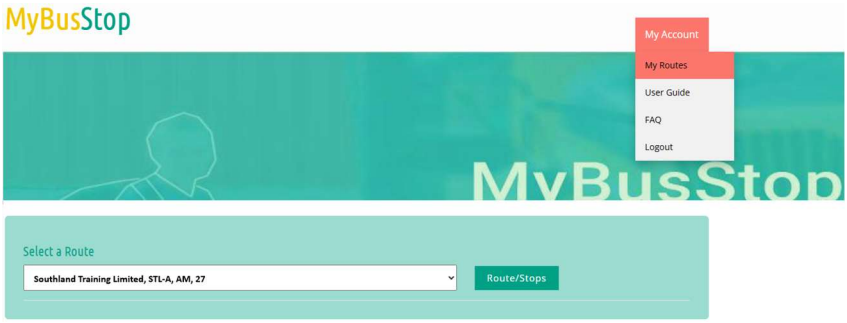

2. For First Time Users - please register. You will need the 2026-27 school code: **10 characters**

3. For those already Registered, you will still need the 2026-27 school code, as provided by your child's school, to reselect your routes for this school year.

4. To select your route:

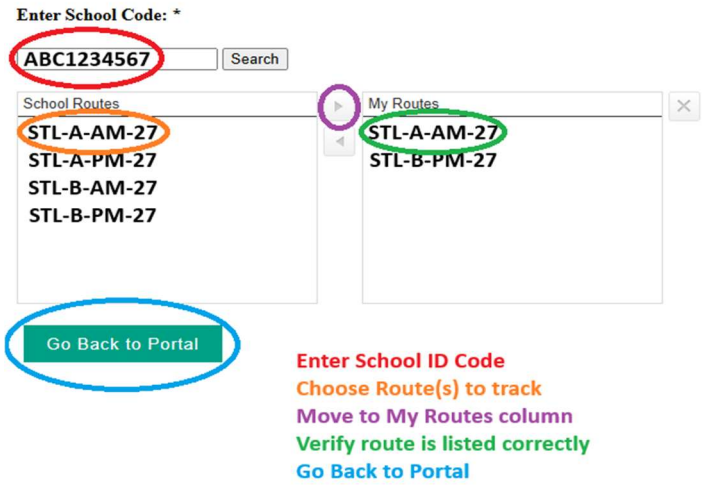

i. Under "My Account", select "My Routes"

ii.

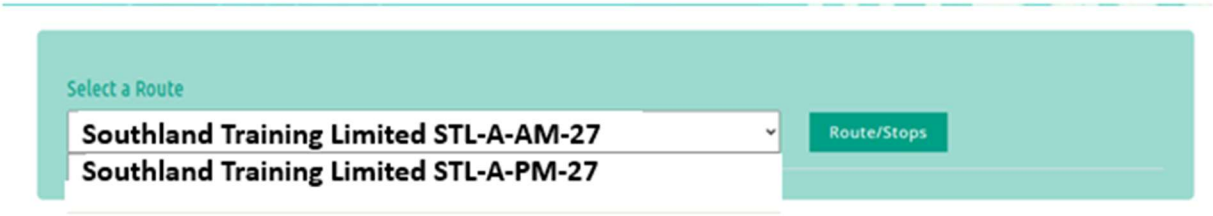

a. Enter your 2026-27 School Code and select "Search"
b. Highlight the relevant route and move it to the "My Routes" column. This will need to be completed for all components of the bus route, such as AM and PM.
c. Select "Go Back to Portal" once all your chosen routes have been moved to the "My Routes" column.
d. Route codes typically show in format: STL-A-AM-27 / STL-A-PM-27 (or similar). The school will let you know which Route Code pertains to the route for your student. In cases where your student rides on more than one route, you may select additional routes to move to the "My Routes" column.

How to Set Up Your **MyBusStop** Account

To view your route:

i) Select the relevant portion of the run (AM/PM/Fri PM) from the drop-down menu.
ii) Select "Route/Stops" to see all the stops on your run.
iii) Select "Maps" if you wish to view the bus's progress in real time (which is updated every minute).

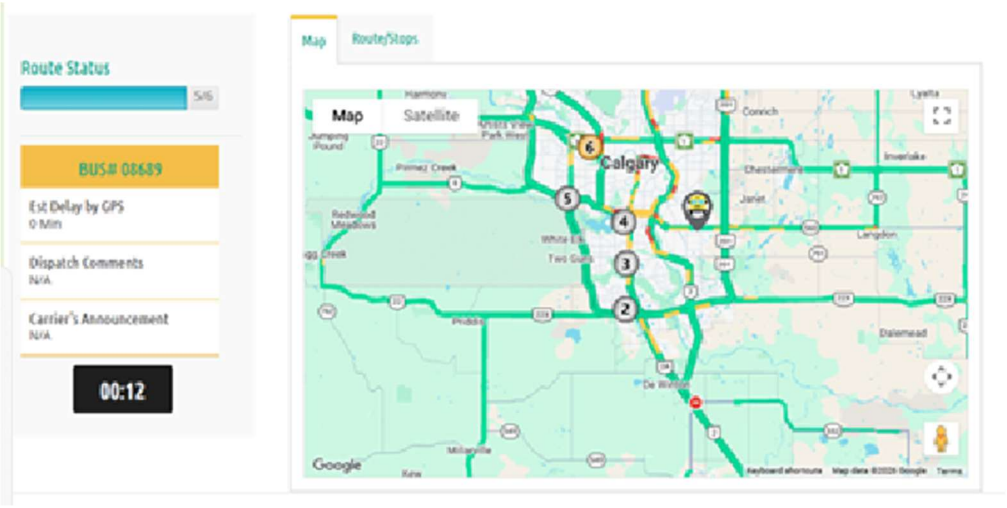

5. Set up your MyBusStop account on your phone from Google Play or Apple App Store to ACCESS MyBusStop on your smart device. Ensure you REGISTER on the website first, you cannot register for routes on the App itself.

Although we do our best to ensure MBS is functioning smoothly and accurately, there are occasional technical glitches. Should you have any questions or concerns, or spot a problem, please email admin@mybusstop.ca or complete the Troubleshoot Form at http://www.southland.ca/mbs-landing/.

Map View: The stop number will turn grey when visited.

Route List View: The scheduled departure time from the stop is on the left, the actual departure time from the stop is on the right.

Please note:

We do our best to ensure that each stop location icon is placed in accordance with the route stop description.

Adhere to the route stop description on the schedule for greater accuracy and ensure your students are ready for pick up 5 minutes prior to the departure time.

The MBS website is now live accepting new registrations for accounts. The route codes themselves will show on the site approximately one week or so before school begins.

Parents will need to log into the account on their desktop or desktop version browser on their mobile device to select the routes before accessing the app.

The MBS app will not show bus stops or maps of stops until the first day of school begins.

Thank you for riding with us as you journey to school and safely home.
